

12TH SKELETAL RADIOLOGY REFRESHER COURSE CARDIFF 2010 PROGRAMME

THURSDAY 18th March

STREAM 1

Session: Imaging of the Knee		
9.10	Imaging the meniscus	Dr Christine Heron
9.40	What the Surgeon wants to know from Knee MRI	Mr Rhys Williams
10.00	Imaging the extensor mechanism	Dr Eugene McNally
10.30	Break	
Session: Imaging of the Shoulder		
11.00	Rotator Cuff Imaging: ultrasound or MRI?	Dr Julia Fairbairn
11.30	Instability – imaging pearls	Dr Jeremy Jenkins
12.00	Shoulder imaging: the surgeon's perspective	Mr Rhys Williams
12.30	LUNCH	
Session: Imaging of the Wrist		
2.00	The role of the plain film	Dr Rick Whitehouse
2.30	Ultrasound – current horizons	Dr Justin Lee
3.00	MRI – indications and findings	Dr Jeremy Jenkins
3.30	Break	
Session: Imaging of the Spine		
4.00	Cervical Degenerative disease	Dr Victor Cassar-Pullicino
4.30	Acute Spinal Trauma – pearls and pitfalls	Dr Dominic Barron
5.00	Imaging Spinal Bone Marrow	Dr Andoni Toms

STREAM 2

Session: Imaging of the Shoulder Region		
9.00	External impingement	Dr Rob Campbell
9.30	Internal Impingement	Dr Andrew Grainger
10.00	Imaging the Sternoclavicular joint	Dr Ian Beggs
10.30	Break	
Session: Imaging of the Hip		
11.00	Femoroacetabular Impingement - the Radiologists perspective	Dr Richard Seymour
11.30	Femoroacetabular Impingement – the Surgeon's perspective	Mr Stephen Jones
12.00	Bone marrow oedema of the hip	Prof Hans Bloem
12.30	LUNCH	
Session: Recent Advances in Musculoskeletal Imaging Techniques		
2.00	MRI at different field strengths – is bigger better?	Prof Hans Bloem
2.30	CT – have we reached the limit?	Dr Tom Marshall
3.00	Ultrafast TE – current concepts in MSK	Prof Graeme Bydder
3.30	Break	
Session: Intervention		
4.00	Local Anaesthetic and Steroids in the management of Back Pain	Dr David Wilson
4.30	Vertebroplasty	Dr Geoff Hide
5.00	Radiofrequency Ablation	Dr Simon Ostlere

Course Director: Stephen Davies
Course Administrator: Rachael Blundell

Major Sponsor of the BSSR 12th Skeletal Course

FRIDAY 19th March

STREAM 1

Session: Imaging of the Foot & Ankle		
9.10	Anatomy of the Ankle and Foot	Dr James Teh
9.35	The Painful Ankle	Dr Philip Robinson
10.00	The Painful Foot	Dr Mark Elliott
10.30	Break	
Session: Paediatric Imaging		
11.00	Paediatric Bone Tumours- pearls & pitfalls	Dr Mark Davies
11.30	Juvenile Chronic Arthritis	Dr Karl Johnson
12.00	Paediatric trauma	Dr Jo Fairhurst
12.30	LUNCH	
Session: Sports Injuries I		
1.30	Pelvic Overuse syndromes	Prof Stephen Eustace
2.00	Lower limb overuse injuries	Dr Jeremy Healy
2.30	Upper limb overuse injuries	Dr Gina Allen
3.00	Break	

STREAM 2

Session: Arthropathies		
9.00	Imaging Rheumatoid Disease with Ultrasound	Dr Phil O'Connor
9.30	Rheumatoid disease – MRI	Dr Annie Horng
10.00	Spondyloarthropathy – imaging and scoring	Dr Phil O'Connor
10.30	Break	
Session: Hyaline Cartilage Imaging		
11.00	Articular cartilage – operative techniques	Mr Christopher Wilson
11.30	Articular cartilage – pre and post-operative assessment	Dr Annie Horng
12.15	Discussion	
12.30	LUNCH	
Session: Joints		
1.30	Imaging of Prosthetic Joints	Dr Simon Ostlere
2.00	Imaging of Joint Tumours and Mimics	Dr David Ritchie
2.30	MRI and Joint Sepsis	Dr Jeremy Jenkins
3.00	Break	

STREAM 1 & 2 Combine

Session: Sports Injuries II		
3.30	Spinal Overuse injuries	Dr Rob Campbell
4.00	Providing Radiology services at a major sporting event	Dr Philip Wardle
4.30	Concluding Remarks	Dr Charles Wakeley Dr Stephen Davies

Approved for 12 RCR CPD Credits

Course Director: Stephen Davies
Course Administrator: Rachael Blundell

Major Sponsor of the BSSR 12th Skeletal Course
